Withdraws or Cancellations of Placed Students

It is important that both MAUI and Utrecht Network campuses whose students have withdrawn or cancelled placements inform both Liz Shabani and Nathalie Hennebelle as soon as that decision is made. Reporting withdraws and cancellations allows for waitlisted students to be placed.

Updates on MAUI (Mid-America Universities International)

The most current institutional information for the MAUI-Utrecht Network partners is now updated and available on the UMSL website while the MAUI site undergoes maintenance: www.umsl.edu/~maui If there are changes in contact information for Utrecht Network campuses, please let Nathalie Hennebelle and Liz Shabani know so that online information may be updated.

Site Visits:

2016: Bobby Leis (Baylor) and Haley French-Sloan (UNL) will be conducting a round of site visits this June. They are working with the University of Coimbra, Ruhr Bochum, the University of Antwerp and Aarhus University (June 22-July 2).

2015: Tom Saville of SIUC and Jami Lewis of Texas State-San Marcos conducted the 2015 site visits in mid-March and had the opportunity to participate in the Student Mobility meeting held at Karl Franzens University, Graz. They also visited three other universities: University of Bologna; University of Leipzig; and University of Ljubljana.

These site visits are assisting our MAUI campuses to recruit students more confidently to locations which have been underutilized in years passed. MAUI appreciates the hospitality of all welcoming campuses and would welcome the opportunity to host our Utrecht Network partners.
