Withdrawals and Late Placements

If a student withdraws or requests a late placement at a MAUI school, please email Matt Lockaby, Nathalie Hennebelle, and the coordinator at the host school. There are still spots open at many MAUI schools, including several of our most popular hosts.

Updates on MAUI (Mid-America Universities International)

Website: The new MAUI website (midamericauniversities.org) is now fully operational and up to date. We will no longer be using individual info sheets, so please refer to the website for the most current information on the MAUI schools.

Placement Spreadsheet: MAUI has transitioned to using an online Google spreadsheet to share information on exchange placements. This spreadsheet will always contain the most up-to-date information and thus we will no longer be sending out new spreadsheets whenever there is an update. This new spreadsheet automatically collects more data on our exchanges than has been available in the past, so please have a look at the “Stats” tab if you’re interested.

New Members: MAUI officially welcomed West Virginia University as a new MAUI member in March, 2017. They have expressed interest in the MAUI-UN exchange agreement, and we are hopeful that they will join. When they do, we will add their information to the MAUI website. WVU is located in Morgantown, WV and has an enrollment of around 30,000 students. It is the flagship

state university of West Virginia and offers unique programs in Forensics and Biometrics among a wide range of other academic disciplines.

Site Visits:

2017: Matt Lockaby (UMSL) will visit Hull in the days before the AGM, and he will be visiting Cork the following week.

Marissa Hernandez (OSU) and Sara Boro (KSU) will be visiting Bergen, Malta, Utrecht, Lille, and Strasbourg from June 15-23. Sara will visit Bergen while Marissa visits Malta, and they will meet up in Utrecht to do the other three visits together.

2016: Bobby Leis (Baylor) and Haley French-Sloan (UNL) visited the University of Coimbra, Ruhr University Bochum, the University of Antwerp, and Aarhus University in June 2016. They presented their reports at our October meeting, and they send their thanks and compliments to their hosts.

After the 2017 visits we will have visited almost all UN partner campuses. MAUI appreciates the hospitality shown by the campuses that have hosted us, and we would welcome the opportunity to host our Utrecht Network partners. These site visits continue to be a valuable tool in helping MAUI members better utilize our exchange agreement. They help us recruit students more confidently to locations that have been underutilized in past years, and our growing familiarity with all UN partners will hopefully lead not only to more placements overall but also to less attrition since we are able to better advise our students.

MAUI-Utrecht Network Meeting at NAFSA

Please mark your calendars for the annual MAUI-Utrecht Network Meeting at NAFSA in Los Angeles, CA. This year it is tentatively scheduled for Wednesday, May 31 from 2:00-3:30pm. Please look for our "Save the Date" email with further details. We hope that you will be able to join us for an engaging meeting and the opportunity to get to know your partners and exchange institutions.
