Website like the one for MAUI and AEN (Utrecht Network website) with link to REARI website and information on courses in English

The screenshot shows the Utrecht Network website. The header includes the logo "UtrechtNetwork since 1987" and a navigation menu with links: Home, About Us, Our Members, Events, Task Forces, Activities, Co-operation, and Members Area. The "Co-operation" link is circled in red. Below the navigation menu, there is a blue banner with the text "MAUI (USA)". To the right of the banner, there is a dark grey menu with three options: "AEN (Australia)", "MAUI (USA)", and "European Projects". The "MAUI (USA)" option is also circled in red. Below the banner, the main content area is titled "Student mobility opportunities in the USA". The text reads: "The Utrecht Network, through its links with the MAUI Network (Mid-America Universities International), offers its students the opportunity to apply for placement in the USA." and "The MAUI Network comprises of thirteen American universities on sixteen campuses:". A list of universities is provided: Baylor University, Columbia College Chicago, and Kansas State University. At the bottom left of the content area, there is a small text: "www.utrecht-network.org/co-operation/ Science & Technology". On the right side of the content area, there is a photograph of a university campus with a large building and a pond with fountains.
