

Utrecht Network Position Paper Erasmus+

Synthesis Presentation Francesco Girotti during AGM Utrecht Network in Bratislava (13 April 2018)

Inputs collected on the following categories:

1. MANAGEMENT AND SELECTION
2. SUSTAINABILITY
3. IMPACT

MANAGEMENT AND SELECTION

- **Unit Rate system:** “revolution” for reporting, very welcomed. To be adopted in all Actions (including KA3 and JM Networks)
- **KA107 Multi-annual application process or “dual application system”** for new applications and for “renewals”
- **KA203 evaluation and selection process:** Foster a centralized selection. If not possible, please foster international experts in evaluation rounds. Please also foster “evaluation clusters of Countries” (e.g. one panel of experts for group of Countries)

SUSTAINABILITY

- **New dedicated Action to develop Joint Master Degrees** to make Erasmus Mundus JMD more sustainable
- **New Action for upscaling, consolidation, cross-fertilisation** of projects
- **Erasmus Mundus Labels** for EMJMD at the end of their funding scheme

IMPACT

- **KA107: Short term outgoing mobility flows** from Programme to Partner Countries
- **KA107: Less demanding requirement** for incoming teaching staff from Partner to Programme Countries in terms of teaching hours (now it is 8H per week)
- **KA103: Mobility 3.0: grants for short term physical flows to be attached to online preparation** (MOOC, e-learning etc)
- **KA203: New Action to develop Short – Term Study Programmes and Summer Schools**
- **KA203: enlarge the impact of L&T activities** allowing participation of non-partners’ staff
